

AN EASY & FLEXIBLE GIFTING OPPORTUNITY

## THE NEXT GENERATION EGIFT AND PLASTIC GIFT CARDS

TRANSACT - GIFT has your gifting needs covered - and then some.

ORIGINAL. REINVENTED.

## Modernize your gifting program to compliment your brand

An important way to connect with customers, Monetary's GIFT is beyond plastic with electronic gift cards (eGift), mobile, online and/or in-store solutions. Go beyond basic Gift functionality, and increase customer visits.

## Take the hassle out of gift card production

Monetary can accommodate gift card orders of any size. With custom design, full-service fulfillment, and delivery; we make the process easy. Complement your in-store merchandising with display stands and gift card sleeves designed to grab attention. Typical turnaround time for production is 5-7 business days after final artwork approval.

# Monetary's Connected Commerce Platform

DESIGNED WITH YOU IN MIND

Monetary gives you revenue-generating solutions that are scalable and can be purchased together or independently based on your business needs.

## Why Monetary?

- Scalable based on your business needs.
- Cutting-edge, user-friendly technology connects all customer engagement channels so information is synchronized and integrated.
- Big brand capabilities in both marketing and use of mobile apps.
- PCI compliance for payment services online, in person and mobile.
- Reliable U.S. based customer support to address any product challenges.
- Single secure repository to easily review business data.
- Automated marketing activities leverage today's communication channels to connect with your customers including text, email, on-site and push notifications.
