# Happy Papas

A lyrical readaloud that pays tribute to the universal joys of fathering. Charming illustrations depict all the activities that bring joy to a papa and his little one over the course of a day: a frolic through the frothy waves, a roly-poly hippo romp, a giggly, wiggly wake up jig, or a ruffly rainbow ruckus. Ideal for one on one sharing or for toddler story time. (Ages 2-6)

## PERFECT GIFT FOR

Baby Showers | Father's Day  
Birthdays | Foster Parent Day  
or simply to say  
"You're a great dad!"
